

Dear people of Good Shepherd,

It is with joy and gratitude that I begin my appointment with you as priest-in-charge. You have already made me feel at home among you with your warmth and faithfulness. I extend many thanks for the efforts of the vestry in working with the bishops' office, for your patience waiting for this day to arrive and the ongoing ministry we will soon share. It is a good day to celebrate - so thanks for being you. :-)

As previously shared, I teach religion full-time and serve on the campus ministry team at Notre Dame High School in West Haven. I am also a volunteer firefighter and chaplain with the OSFD in Old Saybrook where I live. I am excited for us to get started in our new partnership and I look forward to what God has in store for us as pastor and people.

I hope to see you soon!

Peace,

The Rev. Geoff Sinibaldo
